All Roll Call gifts for 1995, as for each of the past several years, will be designated for student scholarship aid. Alumni/ae helping students is a Princeton tradition we want to encourage. The workshop is designed to inform the stewards about the Seminary today and involve them firsthand in campus life. Many of these alumni/ae will return to Princeton for the first time since their graduations. They are committed to the Roll Call because they want to assist our current students. They would welcome the opportunity to get to know current students on an individual basis. Please extend a gracious welcome to them.

Service in Remembrance of James Reeb
Miller Chapel 10:00 a.m.
 On Tuesday, March 9, 1965, the Reverend James Reeb ('53 M.Div.) was clubbed from behind because he had marched with Dr. Martin Luther King Jr. earlier that day in Selma, AL. Forty-eight hours later he died and became another martyr to the truth that sets us free. We daily pass by the testimony to his life of witness as we enter the Mackay Center.

With the worship service today, the Seminary community honors his memory and the cause for which he gave his life. Dr. Richard Oman, dean of the faculty at Pittsburgh Theological Seminary and president of the PTS Class of 1953, will preach.

Dr. Oman will meet with students and faculty from 12:40-1:20 p.m. in the Main Lounge to discuss James Reeb's life, the civil rights movement, and other issues in an informal forum. Bring your lunch.

All Dormitory Residents

It's time to plan for summer housing. Dormitory housing will be very limited this summer. If you wish to stay after the dormitories officially close on May 23, you must submit a written request to the Housing Office. Be sure to indicate the exact dates you will require housing and the reasons why.

Summer school and summer language students will be guaranteed housing while in class. Priority will then be given to Ph.D., field ed, and CPE students, international scholars, and students working on campus. Summer programs have increased the demand for housing, so consider your summer housing options now.

Vacating Procedures

Dorms

Clean your dorm room thoroughly and empty the closets and drawers. Turn the key in to the Housing Office even if you will be returning to the same room next fall. **Rooms must be vacated no later than 4:30 p.m. on Tuesday, May 23.**

Tennent Campus/CRW and Princeton Apartments

Clean your apartment thoroughly and remove all trash. Call PSE&G (921-7000) for a final reading and billing, but do not have the power turned off. Princeton apartments residents should lock the apartment when leaving and turn the key in to the Housing Office. CRW residents should leave keys on kitchen counter before locking the apartment.

If you are graduating, please be sure to leave your forwarding address with the Housing Office so the Seminary can return your security deposit. Please call the Housing Office if you have any questions concerning the vacating procedure.

Early Vacating

Students vacating their rooms earlier than May 23 should notify the Housing Office so that these rooms may be used for graduation guests.

Room Draw — May 3

Room draw will be held for students who wish to change rooms for the fall term. A list of available rooms will be posted in the Housing Office and in each dorm on Friday, April 28.

◆ **Important Notices from the Housing Office**

All Dormitory Residents

It's time to plan for summer housing. Dormitory housing will be very limited this summer. If you wish to stay after the dormitories officially close on May 23, you must submit a written request to the Housing Office. Be sure to indicate the exact dates you will require housing and the reasons why.

Summer school and summer language students will be guaranteed housing while in class. Priority will then be given to Ph.D., field ed, and CPE students, international scholars, and students working on campus. Summer programs have increased the demand for housing, so consider your summer housing options now.

Vacating Procedures

Dorms

Clean your dorm room thoroughly and empty the closets and drawers. Turn the key in to the Housing Office even if you will be returning to the same room next fall. **Rooms must be vacated no later than 4:30 p.m. on Tuesday, May 23.**

Tennent Campus/CRW and Princeton Apartments

Clean your apartment thoroughly and remove all trash. Call PSE&G (921-7000) for a final reading and billing, but do not have the power turned off. Princeton apartment residents should lock the apartment when leaving and turn the key in to the Housing Office. CRW residents should leave keys on kitchen counter before locking the apartment.

If you are graduating, please be sure to leave your forwarding address with the Housing Office so the Seminary can return your security deposit. Please call the Housing Office if you have any questions concerning the vacating procedure.

Early Vacating

Students vacating their rooms earlier than May 23 should notify the Housing Office so that these rooms may be used for graduation guests.

Room Draw — May 3

Room draw will be held for students who wish to change rooms for the fall term. A list of available rooms will be posted in the Housing Office and in each dorm on Friday, April 28.

Stuart Hall Locker Keys

All graduating students who have signed out **Stuart Hall locker keys** must return the keys to the Housing Office prior to **Friday, May 19**. There is a \$5 fee for keys that are not returned.
